This door has been designed with security in mind, and is ideal for securing any type of property, as compared to our standard duty version.

It has a thicker steel grade, a mineral wool core, and additional internal reinforcement. It's an unrivalled security door for your home or business, with our HOOPLY™ 19-point locking system included as standard.

All locks, hinges, and hardware are pre-installed as standard, ready to install right out of the box, with a Surfmist powder coat finish.
