Designed to provide a simple & effective way to protect your property at an affordable price, our Security Front Doors are easy to install and will offer extra peace of mind when it comes to securing your home.

Available in a choice of stock sizes and finished with a heavy duty Surf-mist polyester powder coat, we also have a range of frame extensions to help bridge the gap between your opening and our sizes.

With security in mind, these steel doors are fitted with our industry-leading 19 point locking system. Manufactured from a thick gauge steel, with a dense mineral wool core, draught proof seals & 4 stainless steel ball bearing hinges, they are suitable for any climate.
